**February 2011**

The Christian Challenge Phoenix Metro Winter Retreat 2011 was a huge hit! We had 80 people come hang out with us up in Pinetop, AZ for the last weekend in January and everyone had a really amazing time. God showed up and moved in the lives of students, and I got to be a part of leading students to worship. It was a really awesome experience and I know God used it to make a difference in student's lives.

**Will You Pray with Us?**

**Requests:**

1. For God to open doors at Mesa Community College so that we can begin a ministry there this Spring.
2. For God to grow my faith and for me to have no fear as I go about raising my support and meeting with potential ministry partners.

**Answers:**

1. Everyone made it up and down the mountain safely for the winter retreat!
2. God has been continuing to bless us with support in spite of my inability to focus on raising up supporters.
