January 2011

Hello Dear Friends and Supporters! My prayer is that every one of you had a really special Holiday season and that this letter finds you well and safely home from any trips you may have taken! Sarah and I had a really relaxing winter vacation that involved some time alone together. It was pretty great to get a chance to reflect back on what the past year has brought us and all the blessings God bestowed. I wrote an article on jeffmashaw.com about the things I have been thankful for.

As we gear up for the spring semester I am preparing for another semester at Golden Gate Seminary. I will be taking only one class this semester and am looking forward to the things which God will teach me and ways to apply it to ministry.

The Metro-Wide Winter Retreat is coming up here pretty quick, also. I am overseeing the music for worship for the weekend. I am pretty excited as I get to work with some really neat people from across the valley and it's neat to put my musical abilities to good use. We are all very excited to see how God will use this time to impact the lives of students from across the valley.

As we kick off a new year, we believe that God is going to do great things in the lives of students and it's all possible because people like you support us! Thanks for a great year!

Will You Pray with Us?

Requests:

1. For the Winter Retreat, that all would have safe travel and that every student would have a life-changing encounter with the living God.
2. For God to open doors at Mesa Community College so that we can begin a ministry there this Spring.
3. For God to grow my faith and for me to have no fear as I go about raising my support and meeting with potential ministry partners.

Answers:

1. I had the opportunity to share Christ with a Muslim student at MCC near the end of the semester. It will be neat to see God continue to work on this campus.
2. My wife, Sarah, and I had the opportunity to enjoy some much needed relaxation time over New Year's Weekend.
